THE PENTECOSTAL
ASSEMBLY SCHOOL

A Season of Celebration, Growth, and New Beginnings

With hearts full of gratitude, we present the first edition of the *PAS Gazette*, capturing the vibrant spirit and remarkable milestones of April 2025 at The Pentecostal Assembly School.

This month was a beautiful tapestry woven with moments of excellence, creativity, and service. From honouring the achievements of our young scholars at the Annual Prize Day to celebrating Earth Day with a renewed commitment to stewardship, each event reflected the core values we uphold — faith, integrity, discipline, perseverance, and compassion.

Principal's message

Dear Parents, Students, and Teachers,

As we celebrate 36 years of The Pentecostal Assembly School's journey, we give thanks for God's guidance and the values that continue to shape us — excellence, discipline, faith, and unity.

This April, we proudly celebrated the achievements of our students during the Annual Prize Day for both the Primary and Senior Wings. Every accolade, every applause, and every performance reflected the spirit of PAS — where character and competence walk hand in hand. May we continue to strive for excellence with gratitude, resilience, and purpose.

Dr Karuna Prasad
Principal

**"Train up a child in the way he should go and when he is old, he will not depart from it."
(Proverbs 22:6)**

Starting with Purpose: Orientation & the First Day of School

The Orientation Day at The Pentecostal Assembly School was a celebration of new journeys, fresh hopes, and renewed purpose.

Held on 28th March 2025, just ahead of the official session commencement on 2nd April, students across all classes were welcomed with joyful greetings and a sense of anticipation. Every child was encouraged to dream big, stay grounded in values, and embrace the year with courage and curiosity.

On the first day of the academic session, students across grades were invited to reflect and pen down their aspirations for the year ahead through a special Goal Setting activity. Each learner filled out a page with their personal goals — academic and personal — setting the tone for a purposeful start.

Principal Dr. Karuna Prasad encouraged students to dream big and stay grounded in values, reminding them,

Academic Star

Daniyal Ahmed stood out in the **Hindustan Olympiad 2024** by clinching the top rank in the region in the Commerce stream. His sharp academic insight, focused preparation, and consistent excellence are a matter of pride for the school.

Other Outstanding Performers:

Ayaan Raza (Class 11E) – Rank 1 at the District Level and Rank 3 at the Regional Level (Humanities)

Rakshit Agarwal (Class 11C) – Rank 2 at the District Level and Rank 3 at the Regional Level (Humanities)

Weightlifting Champion

Abhimanyu Chatterjee (Class 10A) clinched first place in both the Bench Press and Sub-Junior Bench Press (90 kg) categories at the **Jharkhand State Weightlifting/Powerlifting Championship**, held in Ranchi on April 18–19, 2025.

His achievement has earned him a place to represent Jharkhand at the upcoming **National Championship** in Karnataka this June.

Another proud achiever, **Nathaniel Mathew** (Class 10B), secured third place in the Sub-Junior Bench Press (47.5 kg) category.

On **April 12, 2025**, The Pentecostal Assembly School hosted its much-anticipated **Annual Prize Day** in two grand sessions — the morning programme for the Primary Wing, and the evening celebration for the Senior Wing. The event was a true reflection of PAS's commitment to nurturing excellence from the earliest years through the final stage of school life.

Over **190 students** were felicitated for academic merit, good conduct, attendance, and participation in Ei ASSET and Star Point programmes in the **Primary Wing**. Chief Guest Mr. Pawan Kumar, Deputy Commandant, CISF, and Guest of Honour Sergeant Major Mr. Pranav Kumar, graced the occasion with motivating words and personal encouragement to our young achievers.

Glorious Moments from Prize Day 2025

A total of **250 awards** were presented in the **Senior Wing** ceremony, recognizing achievements in diverse categories such as Excellence Rank (25), Star Medals (3), Gold Certificates (29), Silver Certificates (67), Hindustan Olympiad (8), SOF (20), Ei Cares (12), ASSET (15), ASSET Talent Search Scholars (4), Perfect Attendance (21), School Service (34), and School Citizenship (17).

The Chief Guest, Shri Mukesh Kumar (IPS), Commandant, JAP, delivered a powerful address on discipline and leadership. Special guest Dr. Gargi Ghosh from Educational Initiatives honoured Ei achievers with medals and certificates.

Both ceremonies concluded with pride and spirit as the school song echoed through the auditorium, marking a joyful end to a day of tradition, gratitude, and purpose.

Earth Day Special Assembly

The tiniest members of the PAS family — our Pre-Nursery and Nursery students — stepped into the school year with colour and cheer. Earth Day was celebrated with rhymes, dances, and eco-themed art that brought nature to life. The event reflected PAS's vision of starting strong— with purpose, positivity, and the planet in mind.

Fire Safety Awareness Drive

Students from Std 1 to 12 participated in a life-saving **Fire Safety Training and Mock Drill**, conducted by **CISF Fire Officers**. Hands-on sessions and live demonstrations empowered students with emergency response skills and boosted campus safety.

Cricket Tournament

Energy, excitement, and sportsmanship filled the PAS grounds as students displayed their cricketing skills during the **Inter-House Cricket Carnival**.

Teams from Divisions A to E competed with great enthusiasm, showcasing teamwork, leadership, and sporting spirit.

Face-mask Contest

In a vibrant tribute to Earth Day, students of Grades 6 to 8 participated in an Eco-Themed **Face Mask Competition**.

Creativity bloomed as they designed stunning masks inspired by Flowers, Birds, and Animals, all crafted using sustainable materials. The event celebrated both artistic flair and environmental consciousness.

Young Voices, Big Impact

April was a month of powerful student-driven initiatives at The Pentecostal Assembly School.

From championing road safety and environmental awareness to showcasing creativity and teamwork, our students proved that age is no barrier to leadership.

Road Safety Poster Carnival – Spreading awareness for safer roads through vibrant student-made posters.

Waste to Wonder Competition – Innovative recycling projects inspired by the theme "My Planet, My Power."

Earth Day Assemblies – Passionate performances, speeches, and pledges by students from Pre-Primary to Grade 10, calling for collective action to protect our planet.
