PAS THE PENTECOSTAL
ASSEMBLY SCHOOL

A Season of Spark, Spirit, and Summer Glory

From fruit fiestas and reading marathons to thought-provoking assemblies and national honours, **May and June** were a blend of creativity, courage, and community spirit at the **Pentecostal Assembly School**.

As the first quarter of the new session concludes, we pause to celebrate the vibrant events and values that shaped these weeks. With every crown made, pledge taken, and milestone reached, our students stepped forward as confident, compassionate learners.

This special edition captures their spark, our shared pride, and a season of joyful learning in action.

WHAT'S INSIDE?

Summer activities
and celebrations

Creative work and
competitions

Pledges,
achievements and
awards

Three-Time Winner! Best International Principal Award Goes to Dr Karuna Prasad

In a moment of great pride, our Principal, Dr Karuna Prasad, was conferred the **Best International Principal Award** by the **Science Olympiad Foundation (SOF)** — marking her third consecutive win.

The ceremony, held at Dr Ambedkar International Centre, recognised her exceptional leadership in promoting Olympiad excellence, academic innovation, and student empowerment.

Speaking with humility, Dr Prasad dedicated the award to the teachers, students, and parents of PAS, reaffirming her belief that “excellence is a shared mission.”

The PAS family celebrates this milestone with deep gratitude and renewed purpose.

"Train up a child in the way he should go and when he is old, he will not depart from it."
(Proverbs 22:6)

Summer Fun & Celebrations

Flavours of the Season: Sips, Salads & Skewers

Summer came alive at PAS with a colourful mix of culinary creativity and hands-on learning across different grade levels.

Students from **Nursery to Class V** enjoyed a refreshing **Lemonade Day**. Tiny hands squeezed lemons, stirred sugar and salt, and served cool drinks with pride. The activity introduced them to basic hygiene, sequencing, and safe kitchen practices while they had fun.

Classes I to IV also participated in a **Fruit Skewers Fiesta**. Using bananas, grapes, watermelons and more, children created colourful, healthy snacks while learning about vitamins, fibre and hydration in a playful environment.

Students from **Classes V to X** took part in the vibrant **Sips and Salad Fiesta** as part of the **NEP 2020 vocational education initiative**. They prepared nutritious salads, fruit punches and traditional summer drinks, blending health awareness with culinary flair and presentation skills.

From tiny chefs to confident innovators, it was a season of learning by doing. Every activity stirred creativity, teamwork and joy.

Crowns, Cards and Hugs: Honouring Moms at PAS

From palm-print cards to handmade paper crowns, students from Pre-Nursery to Class V celebrated **Mother's Day** with creativity and affection.

Pre-Nursery to Class II crafted colourful "My Best Mom" cards, while Classes III to V designed glittering crowns with heartfelt messages.

The celebration ended with a joyful **Parent-Teacher Meeting**, where students proudly shared their creations and honoured the women who inspire them most.

Voices, Visions and Creative Classrooms

PAS Echoes with Expression: Elocution Across the School

From rhymes and rhythm to clarity and confidence, PAS students across grades took the stage in the annual **English Elocution Competitions**.

The journey began with our youngest orators from Pre-Nursery to Class II, who recited poems with charm, courage and joy. Students of Classes III to V followed with strong performances on themes like childhood, dreams and victory. Finally, students from Classes VI to VIII impressed the judges with their poise, powerful modulation and expression.

India on Canvas: Exploring Folk Art Through Colour

As part of their first **Art-Integrated Project** of the session, students of **Classes IX and X** explored the rich traditions of Indian folk art.

Each class selected a regional art form such as Madhubani, Worli or Sohrai and created large collaborative artworks that reflected cultural themes and community stories. The classrooms were transformed into living galleries, filled with colour, detail and meaning.

These beautiful displays are now exhibited in the school foyer.

Read, Reflect and Grow: PAS Launches Reading Month '25

The Pentecostal Assembly School launched **Reading Month 2025** with joyful enthusiasm.

Students from **Classes I to X** engaged in reading activities, story sessions and literary reflections across classrooms and virtual spaces. One of the key highlights was the inauguration of the new **Primary Library**, designed as a bright and welcoming space to nurture young readers.

Principal Dr Karuna Prasad encouraged all students to embrace books as lifelong companions and to carry stories that inspire and shape their dreams.

Purpose, Pledges and Possibilities

Making Choices That Matter

PAS students promoted safety, responsibility and awareness through impactful pledge-based activities. Class XI led a **Water Awareness Assembly** with infographics, a *nukkad natak* and a quiz.

Later, **Classes VI to XII** took the anti-drug pledge under the **Nasha Mukta Bharat Abhiyan**.

Yoga for One Earth, One Health

PAS marked **International Day of Yoga 2025** with focused participation and joyful energy. Students participated in an **Inter-House Yoga Competition**, where Joy House secured first place.

The following day, students and staff came together for a full-school yoga session led by Mrs Biva Mishra. The programme reflected the theme **"One Earth, One Health"** and reinforced the importance of daily discipline and wellness.

Prepared, Not Scared

Students and staff participated in a campus-wide **emergency drill**, following all safety procedures with focus and calm.

A blackout hour was observed at home as an extension of the drill, promoting household awareness and readiness.

Green Steps for a Greener Tomorrow

PAS staff marked **World Environment Day** with **"Ek Ped Maa Ke Naam 2.0"** — a tree plantation drive and a short film screening on sustainability and single-use plastic.

Principal Dr Karuna Prasad reminded everyone that what we plant today is what the future will inherit.

Academic Excellence and Exposure

Science, Stories and Success: Learning from Minds that Lead

Students marked **National Technology Day** with a thrilling quiz on science and innovation. Teams named after Indian science pioneers tackled visual and rapid-fire rounds with enthusiasm. Bose House took first place, followed by Raman and Kalam.

Towards the end of June, five PAS alumni from **IITs, NITs** and **IEST** returned for a **Career Talk**. Sharing stories of perseverance and preparation, they offered valuable tips on exams, planning and balance. The session, moderated by Mrs Shweta Kumar, left students inspired and future-ready.

Students Visit Bokaro Dairy for Industry Insight

Twenty-eight students of **Class XII Commerce** visited **Bokaro Dairy** for a first-hand look at how milk is collected, processed and distributed. From quality checks to packaging systems, students gained practical insights into business logistics and supply chains.

The visit deepened their understanding of real-world commerce and sparked thoughtful classroom discussions on entrepreneurship and operations.

PAS Students Shine in India's Toughest Tests

Sixteen PAS students qualified **NEET (UG) 2025**, making the school proud with their hard work and discipline.

In **JEE Advanced**, alumni **Md Hassan Rahmani (AIR 947, IIT Delhi)** and **Prachi Choudhary (AIR 19301, IIT Roorkee)** made the school proud with stellar ranks.

Principal Dr Karuna Prasad praised their efforts as a true reflection of PAS values and excellence.

Strategy, Skills and Senior Moments

Board and Beginnings: Chess Meet and Class XI Orientation

The month saw sharp minds at work as PAS hosted its **Annual Inter-House Chess Tournament**. Students from all divisions showcased calm focus, logical thinking and teamwork on the board.

Winning Houses:

Division A: Joy | Division B: Peace | Division C: Peace | Division D: Joy | Division E: Peace

Meanwhile, new beginnings took shape as **Class XI** students attended a warm and insightful **orientation** led by Principal Dr Karuna Prasad. She introduced the **Iceberg of Success** model and encouraged long-term goal setting.

Teachers presented the academic roadmap, honoured CBSE toppers, and announced an international trip for Class X and XII achievers.

Mr Ajit Receives SOF Best International Teacher Award

Mr Ajit Kumar Singh, PGT Mathematics at The Pentecostal Assembly School, was felicitated with the prestigious **Best International Teacher Award** by the **Science Olympiad Foundation (SOF)** for his consistent mentorship and academic excellence.

A dedicated educator known for his clarity, commitment, and ability to inspire, he has played a key role in preparing students for competitive Olympiads and national-level examinations.

Wrapping Up a Season of Spark

As the first quarter of the academic year draws to a close, we look back at weeks filled with colour, courage and curiosity.

From summer experiments to proud achievements, every activity reflected the spirit of learning that defines PAS. This edition celebrates not just events, but the values, voices and vibrant energy behind them.

We thank all teachers, students and staff for making these moments possible. Until the next edition, keep growing, keep shining!
