PRINCIPAL'S DESK

April ushers in a new academic session filled with promise and purpose. With the implementation of the CBSE's redefined curriculum aligned to the National Education Policy, we embrace experiential, skill-based learning. Let us inspire curiosity, strengthen values, and empower every learner to grow into a confident, future-ready individual.

37 Years of Excellence: A Legacy of Faith and Vision

Established on 4th April 1989, The Pentecostal Assembly School stands today as a shining legacy of excellence, values, and visionary leadership. Founded through the noble dedication of Rev. Dr. D. N. Prasad and CAO Dr. Rita Prasad, the institution has risen from humble beginnings to become one of the region's most respected centres of learning.

With profound gratitude to its esteemed founders, PAS continues to shape young minds with knowledge, character, discipline, and a progressive global outlook. The school remains committed to nurturing future-ready citizens and inspiring generations through quality education, strong values, and **unwavering purpose**.

Safety in Action: PAS Empowers 1000+ Students with Fire Safety Training

On 8 April 2026, The Pentecostal Assembly School, Bokaro, in collaboration with CISF Fire, BSL, conducted a high-impact fire safety drill, training over 1000 students. Led by Inspector Arvind Kumar Singh, the session blended awareness with hands-on experience. Students enthusiastically engaged, gaining practical skills and confidence. The initiative reflects PAS's unwavering commitment to safety, preparedness, and experiential learning.

PAS Principal Honoured for Exemplary Leadership and Excellence

The Pentecostal Assembly School, Bokaro proudly celebrates Principal Dr. Karuna Prasad on being honoured as **"Person of the Month"** by Jan Sarokar. A three-time SOF Best International Principal Awardee, she exemplifies visionary leadership and academic excellence.

Her active engagement with CBSE leaders enriches the school's direction. Her inspiring guidance continues to foster holistic growth, excellence, and character among learners.

PAS Scripts Olympiad Glory with Global Success

The Pentecostal Assembly School, Bokaro, achieved remarkable success in the Science Olympiad Foundation examinations with 41 Zonal Medalists and 685 School Award achievers. Students excelled across Science, Mathematics, Computer, Hindi, and Cyber Olympiads, showcasing outstanding academic brilliance.

Principal Dr. Karuna Prasad praised the collective efforts of students, teachers, and parents. The achievement proudly reflects PAS's culture of excellence, dedication, and global competitiveness.

PAS Glitters with Glory at Annual Prize Day 2026

The Pentecostal Assembly School, Bokaro Steel City, celebrated its Primary Wing Annual Prize Day on 10th April with pride and grandeur. Chief Guest Arun Kumar Dubey inspired students with his motivating words.

Young achievers were honoured for excellence in academics, attendance, and co-curricular success. Vibrant performances and remarkable ASSET accomplishments made the occasion a joyful tribute to talent, discipline, and future-ready learning.

PAS Salutes the Architect of Equality: Dr. B.R Ambedkar

The Pentecostal Assembly School, Bokaro Steel City, observed Dr. B. R. Ambedkar's Birth Anniversary on 14th April with meaningful assemblies. Senior students pledged to uphold justice and equality,

While the Primary Wing presented speeches, poetry, quiz, and pledge. Principal Dr. Karuna Prasad inspired all by highlighting Dr. Ambedkar's vision of building a just society through education and values.

Word Wizards Shine at PAS Spell Bee 2026

The Pentecostal Assembly School hosted an exciting Spell Bee Competition on 17th April for Classes III to V. Students showcased excellent spelling skills, confidence, and quick thinking through engaging challenges designed by teachers. The event

enriched vocabulary, sharpened critical thinking, and promoted healthy competition. With enthusiastic participation and outstanding performances, the competition became a memorable celebration of language learning and academic excellence.

Tiny Artists Paint the Earth with Joy

The Pentecostal Assembly School celebrated Earth Day with a lively Coloring Competition for Pre-Nursery to Prep students. Young learners beautifully coloured plants, flowers, soil, and leaves, expressing love for nature through creativity.

The joyful activity enhanced imagination, fine motor skills, and environmental awareness. With enthusiastic participation and cheerful smiles, the event became a colourful celebration of learning, talent, and care for Mother Earth.

Earth Day at PAS: Creativity, Awareness & Action Across All Classes

Little Eco Warriors Shine on Earth Day

The Pentecostal Assembly School celebrated Earth Day with Pre-Nursery to Prep students through a joyful Badge-Making Activity. Tiny learners created colourful badges spreading the message of a greener and cleaner planet. Their enthusiasm and creativity reflected a growing sense of responsibility towards nature. The celebration beautifully inspired young minds to love, protect, and care for Mother Earth every day.

Young Voices Rise for Mother Earth

Students of Classes I and II at The Pentecostal Assembly School celebrated Earth Day with prayer, pledge, skit, and dance based on the theme Our Power, Our Planet. Through vibrant performances, they shared the message of environmental care and sustainability. Principal Dr. Karuna Prasad encouraged children to take small steps towards building a greener and brighter future.

Waste to Wonder: PAS Goes Green

The Pentecostal Assembly School marked Earth Day with a creative **Bottle Planters Activity for Classes III to V**. Students transformed used plastic bottles into beautiful planters, learning the value of reducing waste and protecting nature. The hands-on activity blended creativity with responsibility, inspiring young learners to become eco-conscious citizens for a greener tomorrow.
